

Team Is Key!

The goal is to get people to work together more effectively.

Do your employees need help in working together more effectively? Everything DiSC Workplace gives everyone a common language and a visual map that helps them build more effective working relationships- one relationship at a time.

Build Better Relationships Amongst your Employees and the result....a more cohesive and productive team.

Everything DiSC Workplace Training provides managers, employees, practice Owners and supervisors a better understanding and appreciation for the various behavioral styles of the people they work with. The result is a more effective and productive team.

Everything DiSC Workplace is a classroom training that uses online pre-work and engaging facilitation with contemporary video to create a personalized learning experience.

Everything DiSC Workplace focuses on:

- **Discovering Your DiSC Style:** Participants discover how DiSC styles affect their workplace relationships and explore the priorities that drive them at work.
- **Understanding Other Styles:** Participants create strategies and an action plan to overcome challenges when working with people of different DiSC styles.
- **Building More Effective Relationships:** Participants create strategies and an action plan to overcome challenges when working with people of different DiSC styles.
- **Includes Optional People-Reading Module:** Participants learn how to identify others' DiSC styles based on behavioral cues.
